2012-2013

Parents interested in the 2012-2013 Effingham County Schools 4-year-old Pre-K program may now call their zoned elementary schools to schedule a pre-registration appointment. **Beginning this year, parents must submit all required registration forms and required documents in advance of the lottery drawing.** Appointments for submission of these documents are being scheduled now and will occur between February 7, 2012 and March 7, 2012. The lottery drawing for participation in the program will be held on March 16, 2012.

Please note that parents must have all required documents in order to pre-register. Students will not be included in the lottery drawing for a seat if this process is not completed. ***Completion of the pre-registration process does NOT guarantee enrollment into the Pre-K program if there are more applicants than available seats.*** The pre-registration process is completed to establish eligibility for inclusion in the lottery drawing. Please visit the district website, www.effinghamschools.com, for complete instructions for applying for the 2012-2013 Pre-K program.
