**Are you taking
an Advanced
Placement (AP)
Class?**

**Do you plan
on taking
the AP exam
in
May, 2011?**

For the past seven years, Georgia students have benefited from generous state support for AP exams.

Detailed analysis of the GaDOE FY11 budget indicates that funding is not sufficient to support paying for all students in Georgia to take the AP exam.

EACH AP exam will cost \$79.00 per student.

In order to help parents/guardians and students cope with this financial expense, we have setup a payment program for SEHS students.

Starting the 2010-2011 school year, students **will be required to pre-register for each AP exam.**

Students must register by October 11, 2010 and pay a \$25.00 deposit for each exam. The second installment of \$25.00 for each exam will be due by December 17, 2010. The third and **final payment of \$29.00** for each exam will be due on February 8, 2011.

ALL payments will be non-refundable!
