Student Parking Rules at SEHS

All Students must have a parking permit by August 20th

- All students must park so that no backing up is required when exiting at the end of the school day. This means some students will pull forward into parking spaces while others will be backing up upon arrival each morning. The vast majority of accidents that have occurred over the past three years have been because of students backing out of spaces at the end of the day.
- The cars that are parked on the end of the rows must all pull forward as there is not enough room to turn into the exit lane.
- You must have a parking permit to enter the lot.
- The speed limit on campus is 5 miles per hour.
- The traffic coming into the lot in the morning is one way and the traffic exiting the lot in the afternoon is one way.
- Students who stay after school for extracurricular activities are not to park by the field house.
- The center lane of traffic has the right of way over the lanes coming from the parking areas.
- Students are not allowed to arrive or exit out of the center circle in front of the school. That area is strictly for parent pickup and drop-off. All students must use the student parking gate for entry and exit.

To protect the safety of SEHS students and ensure the orderly flow of traffic in the parking lot, SEHS expects all drivers to adhere to certain rules and procedures. If you commit any one of the infractions, you will be given a \$15.00 ticket and may have your parking sticker suspended or revoked.*

- Facing wrong direction
- Parked in wrong spot
- Permit not properly displayed
- Parked out of zone
- No permit
- Occupying two spots
- Reckless driving (including excessive speed, driving across parking spots, carelessness around pedestrians)
- Improperly merging across driving lanes

*Some infractions may be deemed serious enough to warrant immediate fine or suspension/revocation of parking privileges.

NOTE TO PARENTS:

The intent for these rules is not to punish your child, but to keep the parking lot safe for all individuals. The students must be patient and courteous to others when leaving the lot.

A copy of driver's license, proof of insurance and vehicle registration is required.

We have read and understand the above rules. We agree to follow all rules and understand that parking privileges may be revoked by any administrator for violation of these or any other school policies and procedures. We understand that, if these privileges are revoked, ALL school property and areas next to the highways are off limits. **(by order of the Sheriff's Department).**

in the Student Drug Testing Program as outlined in the Effingham County Board of Education Student Drug Testing Policy. (issued 6/06)

My child and I have received the 2010-2011 Student / Parent Handbook and have read and understand this policy. We understand that any high school student interested in taking part in a school-sponsored extracurricular activity within the Effingham County School System must agree to participate in a drug-testing program that includes random drug testing during the school year.

We are also aware that we can review the entire Student Drug Testing Policy at any time online at www.effinghamschools.com.

We understand that students will not be allowed to participate in school-sponsored extracurricular activities, including parking a vehicle on school property, if this consent form is not signed and returned to the school to be kept on file during the current school year. (Consent forms must be renewed annually.)

We also understand and agree that students who are 18 years old or will turn 18 years old during the school year hereby give permission to release all test results to his or her parent or legal guardian.
