PARENTAL CONSENT

_____The undersigned grants Effingham Hospital Sports Medicine and its employee's parental consent for your child's pre-participation medical screening and assessment and treatment of any sports injuries he/she may suffer during the 20___/20___ school year.

MEDICAL RELEASE

_____I give permission for the school official, chaperon, or representative of Effingham Hospital Sports Medicine Department, involved in the activity with my child to seek medical aid or render first aid if such attention is necessary in the sole discretion of the said person involved. In case of emergency, and when I cannot immediately be reached by telephone or otherwise. I give permission to the physician selected by the school officials to hospitalize, secure proper treatment, order injections, anesthesia, or surgery for my child.

ACKNOWLEDGEMENT OF RISK

_____Both the student and the parent/guardian should read this statement carefully. You should be aware that playing or practicing or helping to play with or participating in any manner in any sport can be a dangerous activity involving risks of injury. The dangers and risks playing, practicing to play, helping or participating in sports include, but are not limited to: death, serious neck, head or spinal injuries which may result in complete or partial paralysis, brain damage, serious injury to virtually all internal organs, serious injury to virtually all bones, joints, ligaments, tendons, and other aspects of the body, general health and well being. Because of the dangers of participating in sports, the student should recognize the importance of following coaches' instructions regarding playing techniques, training, and other rules and obey such instructions.

Recommendations _____

I have examined the above-named student and completed the preparticipation physical evaluation. The athlete does not present apparent clinical contraindications to practice and participate in the sport(s) as outlined above. A copy of the physical exam is on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the clearance until the problem is resolved and the potential consequences are completely explained to the athlete (and parents/guardians).
