

## Georgia's College and Career Ready Performance Index Released

**February 8, 2018** — In January, the Georgia Department of Education released the first Financial Efficiency Star Ratings for local school districts in Georgia. The Financial Efficiency Star Rating provides a measure of a district's per-pupil spending in relation to the academic achievements of its students.

Effingham County demonstrated its ability to efficiently use financial resources while maintaining high academic achievement with an average score of 82.2 across three years on the College and Career Ready Performance Index. Effingham County was one of only 30 districts of 180 in the state earning at least 4 stars.

**Effingham: 4 STARS!**
