Final “Greet-n-Treat” and collection for Chemotherapy patients
We are thrilled to announce that the Sand Hill Elementary “Greet-n-Treat” will be back on January 26, 2018! After you drop your child off for school, pull up to the orange cones, located by the tennis courts, with your dog, and you will receive a bag of homemade treats for your dog. These special treats will be made and packaged with love by Ms. Kelly Tankersley’s class.

In addition to giving out treats, we will also be participating in a few community service projects and need your help! For our February “Greet-n-Treat”, we will be collecting dog and cat food to donate to the local Animal Shelter. During our March “Greet-n-Treat”, we will be collecting non-perishable foods for the food bank. And our final project will take place during our April “Greet-n-Treat”. It seems like we all love or know of someone who has cancer. Unfortunately, as part of the treatment for the disease so many have to undergo chemotherapy. We will be collecting individual snack items (packs of crackers, 100 calorie snacks, and anything that is individually wrapped) and canned soft drinks (coke, sprite, diet coke, ginger ale) to donate to Summit Cancer Care for the patients to have while they are taking their chemotherapy treatments. Students from Ms. Tankersley’s class will collect these items the morning of the “Greet-n-Treat”. You do not have to participate in the “Greet-n-Treat” to donate to any of the projects listed, just pull up to the orange cones and we will be happy to accept your donations. Thank you in advance for participating in the “Greet-n-Treat” and your generosity to others.
