II. LEOTC Test

- A. Test was found and has been reviewed and corrected
- B. Test will be given to Graphic Design and Production (second year) in May

III. Suggestions for the Graphic Design program

- A. Graphic Design I not offered in the 2016-17 school year
 - a. Is it a viable pathway that should continue?
 - b. There are Graphic Design programs at Armstrong, SCAD & GA Southern University.
 - i. Effingham students could continue studies in a local college of choice
- B. Graphic Design II & III program will be taught for school year 2016-2017
- C. Graphic Design III has equipment needs – Equipment currently located at ECCA
 - a. SEHS & ECHS need to share equipment resources located at ECCA
 - i. Pro: Equipment stays at ECCA in one location, but shared by both

schools

- ii.Con: Teachers & students will need to travel to ECCA to use equipment
- b. Prior to ECCA, much of equipment for Level III was owned by each school and this equipment could be returned to each school that purchased it
- c. A decision about equipment needs for Level III has not been finalized by school level or district level administration at this time

IV. Last topic of our Advisory Meeting discussion- Dissolving the Graphic Design Pathway

- A. What are the Pros for discontinuation?
- B. What are the Cons for discontinuation?
