This is my 21st year of teaching, and my fifth year at Sand Hill. I have one daughter, Lily, and she is starting tenth grade this year. 😊 I am looking forward to an exciting and successful year of fresh learning experiences for your child, as well as myself! I will appreciate your help and cooperation as we dive into this unique year together. I believe communication is **KEY!** Along with notes, emails, calls, conferences...our county will be using the Remind texting service. Please sign up when you receive the information. We are a **TEAM**, and with your help, I know it will be a wonderful year, as your child learns to become more independent, as a "SENIOR" of the school! 😊
