

Dual Enrollment

Georgia's Dual Enrollment program allows high school students (10th – 12th grade) to earn college credits while working on their high school diploma. Dual Enrollment is designed to make it easier for students to take advantage of all the options to enroll in college courses while still in high school.

Funding Cap

- The Dual Enrollment Funding Cap is 30 semester or 45 quarter hours.
- The Funding Cap is a hard cap based on hours paid by the Dual Enrollment funding program for terms of enrollment (as invoiced by the postsecondary institutions).
- The Funding Cap does not include dual credit coursework attempted and paid by other sources.
- All first-time students, as of Summer term 2020 and beyond, are subject to the Dual Enrollment Funding Cap.
- Students who received Dual Enrollment funding for 18 semester/28 quarter or less hours, through Spring term 2020, are subject to the Funding Cap.
- Students who received Dual Enrollment funding for 19 semester/29 quarter or more hours through Spring term 2020, have a Funding Cap of an additional 12 semester hours or 18 quarter hours of funding.

Course Options

Students must select eligible approved courses from the Dual Enrollment Course Directory on **GAfutures.org**. The Course Directory includes comparable required courses such as degree and non-degree level core courses (English, math, science, social studies, foreign language), and Career, Technical and Agricultural Education courses. Course selections must be approved for high school credit by the student's high school counselor. Dual Enrollment courses are available for fall, spring and summer semesters and fall, winter, spring and summer quarters.

Tuition, Mandatory Fees and Books

The specific Dual Enrollment award amount will vary based on the postsecondary institution and the number of credit hours in which a student is enrolled. Complete Dual Enrollment award amounts are available on **GAfutures.org**. In most cases, the program covers all required standard tuition, mandatory fees and required book expenses. Students are responsible for lost or damaged books, books that are considered optional or specific course-related fees, such as a lab fee.
