

Frequently Asked Questions

What expenses are students responsible for when they are receiving Dual Enrollment Funding?

Students may incur expenses for course-related fees and supplies required for a particular course or optional fees charged by the postsecondary institution. If the postsecondary institution provided the textbooks through a lending program, students may be charged a lost or damaged book fee if the book is not returned in the required condition. Contact the postsecondary institution selected for more information. Students are responsible for tuition and fees for any course(s) taken that is not listed in the Dual Enrollment Course Directory and listed on their Dual Enrollment funding application.

What expenses are students responsible for upon reaching the Dual Enrollment Funding Cap?

Students are responsible for charges as a result of hours which are not covered by the Dual Enrollment funding program such as continuing to enroll in dual enrollment coursework upon reaching the Funding Cap or enrollment in courses not listed on the approved Course Directory. Upon reaching the Funding Cap, the eligible postsecondary institution may charge tuition and a prorated portion of the mandatory fees and book costs, based on credit hours not covered by Dual Enrollment funding.

Can a Dual Enrollment student attend more than one postsecondary institution in one term?

The Dual Enrollment funding application must be completed for each participating eligible postsecondary institution. Is there a limit to the number of credit hours a student may enroll in during one term?
