## 2022-2023 OPEN HOUSE

Check us out on social media!

### PRINCIPAL'S CORNER

Welcome to SEHS! As we enter this school year, I am grateful to serve alongside outstanding administrators, counselors, faculty and staff who will support our Mustangs! We will continue to support all of our students as they continue on their path to earn a high school diploma and develop a postsecondary plan of their choice. This year, I challenge each member of the Mustang Nation to "be the change you wish to see in the world." We extend a special welcome to our new students from the Class of 2026 and new families to our community!

Please pay special attention to the Effingham County School District Uniform Policy.

We have prepared this quick reference guide with information you will find useful. Please connect with us on social media!

Please note: If you have not received my initial e-mail to parents, then please update your information in Parent Portal.

Dr. Torian A. White
