

How to Log In to *iRead*

Your child can benefit from extra learning and practice time at home, the library, a relative's home, or anywhere with an Internet connection.

► **Get information from your child's teacher.**

Before your child can log in, you will need the following information:

1. Zip code of your child's school
2. School district name
3. Your child's *iRead* username and password

► **Log in to your school district's access page.**

If you are working from a computer that has already logged on to *iRead*, you may not need to complete this step.

The screenshot shows a web page titled "Student Web Access". Below the title is a form with the following elements:

- Instructions: "Enter the zip code of your school and click OK. Then select your school district from the drop-down menu and click GO."
- A text input field labeled "School Zip Code" with an "OK" button to its right.
- A drop-down menu labeled "Select Your District" with "Choose One" as the selected option and a "GO" button to its right.
- A link titled "Don't see your district?" with the text "Make sure you entered the correct zip code for your school or ask your teacher for help."

1. Go to this URL:

<http://hnhco.com/studentaccess>

2. Click inside the **School Zip Code** field. Enter the zip code of your child's school and click **OK**.

3. Select the **school district name** from the pull-down menu and click **GO**.

How to Log In to *iRead* (continued)

- Choose *iRead* from the Student Access page.

Click the *iRead* button.

Tip: Bookmark this page for future use. The bookmark may allow you to skip the District login page.

- **Enter Username and Password.**

Children need to enter an individual username and password each time they log in to *iRead*.

1. Type in *iRead* username. Then click the blue arrow.
2. Enter the password. Then click the blue arrow.

Welcome to *iRead* at Beastie Hall!
