Washington DC

May 16-19, 2019 Trip#12515

This exciting trip to Washington DC, Colonial Williamsburg and Jamestown extends the classroom education allowing students the opportunity to see, touch and feel our nation's history.

Near the site of the original colony, Jamestown Settlement tells the story of 17th-century Virginia; from the arrival of English colonists in Jamestown in 1607 to the cultural encounters and events that planted the seeds of a new nation. The world of Jamestown, America's first permanent English colony, comes to life through film, gallery exhibits and outdoor living history.

At Colonial Williamsburg students will walk alongside colonists and experience daily life immersed in this 300-acre city of trade shops, homes, and community buildings. Students will discover famous patriots to ordinary individuals from a variety of cultures. Here, students experience the beginnings of our nation with first-hand learning and hands-on activities. They'll take part in America's beginnings in ways that will spark their imaginations.

While in Washington DC students will explore the great monuments and memorials while being led by knowledgeable local guides, walk the halls of the US Capitol and pay their respects to the fallen men and women at Arlington Cemetery. The following provides more information on this action-packed trip of American history!
