

2017-2018 Kindergarten and Pre-Kindergarten Registration Dates Announced

2017-2018 Kindergarten Registration

Parents seeking to register their children for Kindergarten for the 2017-2018 school year who are not currently attending a school-based Bright From the Start Pre-K class or school-based Preschool Intervention class may now make an appointment for registration online by clicking [HERE](#) or by calling the Central Registration Center at (912) 754-2530. Registration appointments are available during the period of March 28th – April 20th.

Complete instructions and details are found on the system website:

It is extremely important that all parents of rising Kindergarten students that are current Effingham County residents make their registration appointment during the standard registration processing window. Failure to do so may result in the district being unable to make accurate staffing projections and lead to re-scheduling of Kindergarten students after the school year has begun. Please note that if the Kindergarten children of current Effingham residents do not register prior to April 20th, we will not conduct make-up days until the week of August 7th. **If you do not register during the standard registration window, your child may miss the first several days of school.**

2017-2018 PRE-KINDERGARTEN REGISTRATION AND LOTTERY DRAWING

Parents who wish for their children to be included in the lottery drawing for the 2017-2018 Bright From the Start Pre-Kindergarten Program may call their zoned school on or after February 14, 2017 to schedule a pre-registration appointment. Appointment times will be available beginning March 6th. The lottery drawing will be held on Friday, March 31, 2017 at the Effingham County Board of Education Central Office auditorium.
