April 3, 2017

Dear Parents/Guardians,

We have had a great 2016-2017 school year! As the last weeks of school approach, we cannot allow any student meal charges as we must clear our negative balances for the year. **Starting APRIL 18, 2017 meal charges will no longer be accepted.**

The school nutrition program will continue to send low balance letters and slips to the children who have less than \$4.00 for paid students on their account and negative balance letters and calls to children who owe money. We will make every effort to communicate with you via letters and phone calls.

If your child has a negative balance, they will be served an alternate lunch that consists of a cheese sandwich and milk until the charge is paid **PLUS** enough to cover the current meal. The school social worker and principal will be notified of any children who must be served an alternate meal longer than three days.

Lunch Prices	Pre-K & Elementary Full Price	Middle & High Full Price
Daily	\$2.30	\$2.55
Weekly	\$11.50	\$12.75
From April 18 th till the last day of school (29 days)	\$66.70	\$73.95

If you would like to know the exact balance on your student's account please call the school's cafeteria manager or the school nutrition office.

Thank you,

Jessica O'Leary
School Nutrition Administrator
