

# Student Bus Information

Use the following link to access your bus route information, or use your smartphone's camera to scan the QR code to be taken directly to the website. Simply hover the camera over the code and click the link.

<https://bit.ly/ECSDBusInfo>

To log in, you will need your student's lunch ID number, which can be found on registration paperwork for new students. Use this ID number as the username and password.

You can use this site to look up bus pick up and drop off times and locations. Once you are logged in with one student ID number you should be able to see your whole household's bus information from one account.
